Complaint?

Please tell us if we have done something wrong. We would welcome the opportunity to put things right for you.

How to complain

We hope that most problems can be sorted easily and quickly, often at the time they arise and with the person concerned.

All written and verbal complaints made to the practice will be acknowledged within 3 working days **unless** it is resolved to the patient's satisfaction by the end of the next working day.

Complaints should be addressed to:
Linda Donegan, Practice Manager
(complaints manager for the practice).

Alternatively the patient may ask for an appointment with the Practice Manager in order to discuss their concerns. A complaint must usually be made within 12 months of an incident happening.

People wishing to complain may do so verbally, in writing or electronically to either the:

- Practice Manager
- PALS
- Freedom to Speak Up Guardian
- Cheshire & Merseyside Healthwatch
- NHS Cheshire & Merseyside
- ICAS (Independent Complaints Advocacy Service)
- Health Service Ombudsman
- Customer Care Team (for complaints re care at Mid Cheshire Hospitals)

All contact details are noted at the end.

What we will do

We will acknowledge receipt of the complaint within 3 working days and agree a time scale for investigating with the complainant.

We will aim to:-

- Establish what happened and what went wrong
- Make it possible for the complainant to discuss the problem
- Make sure the complainant receives an apology where this is appropriate
- Identify what we can do to avoid the problem recurring.
- Send the complainant a written response as soon as reasonably practicable after completing the investigation.

If the complainant feels that the matter has not been resolved to their full satisfaction, inform them of their right to take the complaint to PALS/VRCCG. NHS England Complaints, Healthwatch, ICAS, or the Health Service Ombudsman.

Complaints about care received from Mid Cheshire Health Trust (Leighton Hospital, VIN or Elmhurst) are directed to Customer Care Team, Leighton Hospital/ VIN Tel: 01270 612410
Email: customer-care-team@mcht.nhs.uk

Complaint on behalf of someone else

We keep strictly to the rules of medical confidentiality. If someone is complaining on behalf of a patient, the practice needs to be satisfied that there is reasonable ground for this method of representation, and that the third party is genuinely acting in the best interests of the individual and has their written consent (unless there is incapacity through illness).

When a complaint is made on behalf of a child, the practice needs to be satisfied that there are reasonable grounds for the complaint being made by the individual rather than the child.

We do hope that the complaint can be resolved locally through our practice complaints procedure. However the complainant should also be aware that they can complain directly to:
