## PART TWO

### Aims and Objectives

<b>AIM</b>	The aim of the Red House Surgery is to provide safe, high quality care that meets the needs of, and results in excellent outcomes for all of our patients.
<b>OBJECTIVES</b>	To provide a comprehensive, professional and friendly service with time to discuss our patients' health concerns. To endeavour to make it easy for our patients to have contact with, and/or make an appointment with, an appropriate health care professional. To be a part of our local community and a centre of excellence in the provision of primary health care, with in-house provisions of a wide range of medical services. To maintain an efficient business in a supportive, open and honest environment for all members of the health care team.
