DOING THINGS DIFFERENTLY
FOR GREATER MANCHESTER

Good work is good for your health

Working Well: Individual Placement and Support in Primary Care (IPSPC) is a free programme to help you find work and/or stay in work

Are you a disabled person or do you have a long term physical or mental health condition which makes it difficult for you to find and keep work? **We can help:**

- Access to a personal Employment Specialist
- A link between you, your health professionals and your employer to make sure your individual needs are met in the workplace
- Help you and your employer to implement reasonable adjustments
- Rapid, personalised job search to help you find the right job based on your skills and abilities
- Support to contact potential employers on your behalf
- Job interview preparation including accompanying you to interviews
- Access to 24/7 employee assistance programme
- Benefits and self employment advice
- CV writing support
- Ongoing in-work support

Ask your health professional to refer you to IPSPC or contact us on [0161 237 4111](tel:01612374111) or IPSPCreferral@gcemployment.uk or visit our website www.gcemployment.uk/wwwipspc to register
