

## ShareforYou

From 17 February 2020, your medical record will be able to be viewed by other health and social care professionals directly involved in your care via a ShareforYou record.

Please visit [www.pennineshareforyou.nhs.uk/](http://www.pennineshareforyou.nhs.uk/) for more information.

If you would prefer that we didn't share your record then you can opt out at any time. Please speak to your GP or a member of the reception team.

For more information please watch this short video about ShareforYou:
