

Care.Data Opt Out Form

NHS England care.data Programme (Better Information Means Better Health)

All households in the UK have been sent an information leaflet about the changes to the way in which medical information will be used to improve the quality of care and health services for all. Further information can be found by visiting www.nhs.uk/caredata or ringing 0300 456 3531.

Please complete this form if you do not want your information to be extracted to care.data.
