

## Prostate Cancer Support Group

In my role as cancer care coordinator, I speak with many people who have been diagnosed with prostate cancer and have either had treatment or are being monitored. Many of them have questions or feel that it would be helpful to talk to other people having a similar experience.

Anyone who has had a diagnosis of prostate cancer is welcome at our new prostate cancer support group. Our first meeting will be at Kidderminster Medical Centre on Thursday 19<sup>th</sup> September 10am – 11.30am.

It will be a friendly and informal opportunity to ask questions, speak to other people in a similar situation or help others by sharing your experiences if you would like to.

There will be tea and coffee and you are welcome to bring a friend or family member if you wish. I very much look forward to seeing you there.

If you cannot make the date in September our next meeting will be Thursday 14<sup>th</sup> November 10-11.30am at Kidderminster Medical Centre.

Yours sincerely

Rebecca Wenham

Cancer Care Coordinator WFHP
