## **Uppingham Surgery Autumn/Winter Vaccinations Programme 2025**

### **Flu & Covid**

Uppingham Surgery will be hosting FLU and Covid vaccination clinics starting at the beginning of October 2025.

People who are eligible will receive an invitation from the surgery, if you are eligible for both vaccines you will be offered these at the same appointment, further guidance on both vaccines will be available on the NHS website, which will provide you with information on eligibility and frequently asked questions.

Please see below the NHS guidance pages for each vaccine if you would like more information:

- [Influenza \(Flu\) - https://www.nhs.uk/vaccinations/flu-vaccine/](https://www.nhs.uk/vaccinations/flu-vaccine/)
- [Covid Vaccine - https://www.nhs.uk/conditions/covid-19/covid-19-vaccination/](https://www.nhs.uk/conditions/covid-19/covid-19-vaccination/)

### **Shingles and Pneumococcal Vaccines**

Shingles and Pneumococcal vaccinations will continue to be offered to people throughout the year as they become eligible.

### **RSV Vaccine**

The respiratory vaccine will also continue to be offered to our patients here at Uppingham Surgery, guidance and eligibility can be found at:

<https://www.nhs.uk/conditions/respiratory-syncytial-virus-rsv/>.

Invites will be sent to patients who are eligible for the vaccine.
