RSV Vaccination

From 1 September 2024, those who turn 75 and those age 75 to 79 will be eligible for a free vaccine to protect them from respiratory syncytial virus (RSV). RSV is an infectious disease of the airways and lungs. RSV infection often causes symptoms similar to a cold, including: cough or runny nose. It can also make you become wheezy or short of breath and lead to pneumonia and other life-threatening conditions. **Book your Vaccine Today**

NHS HEALTH CHECK

Are you aged 40-74?

The NHS Health Check is a check-up for adults in England. It can help spot early signs of stroke, kidney disease, Type 2 Diabetes and Dementia? Book an appointment online with one of our Nurses/HCAs via the NHS app or contact the surgery on 01922 622212 to book your appointment.
