Section 2: Aims and objectives

Provider's aims and objectives for the quality of care.

(Philosophy of care, culture of service delivery, how staff will be supported, sustainability and financial stability, staying up to date with best practice, demonstrating continuous improvement.)

- To provide high quality, safe, professional Primary Health Care General Practice services to our patients
- To focus on prevention of disease by promoting health and wellbeing and offering care and advice to our patients
- To work in partnership with our patients, their families and carers towards a positive experience and understanding, involving them in decision making about their treatment and care.
- To be a learning organisation that continually improves what we are able to offer patients.
- To treat patients as individuals and with the same respect we would want for ourselves or a member of our families, listening and supporting people to express their needs and wants and enabling people to maintain the maximum possible level of independence, choice and control
- To work in partnership with other agencies to tackle the causes of, as well as provide the treatment for ill health and where appropriate involve other professionals in the care of our patients.
- To encourage our patients to communicate with us by joining our Patient Participation Group, talking to us, participating in surveys, and feeding back and on the services that we offer
- To ensure all staff have the competency and motivation to deliver the required standards of care ensuring that all members of the team have the right skills and training to carry out their duties competently
- To take care of our staff offering them support to do their jobs and to protect them against abuse
- Have a zero tolerance of all forms of abuse.
- To provide our patients and staff with an environment which is safe and friendly
- To operate on a financially sound basis.

Section 3: Description of service

Provider's capacity and capability to ensure compliance with the regulations when providing services for people who use them.

(What services are provided, who for, how the will provider work with others, how people who use services will be involved in shaping their care, how will people be safeguarded, how outcomes will be achieved.)

The GMS services provided by our GPs are defined under the Standard Personal Medical Services Contract. The services provided by Rood End Medical Centre are:

- Routine medical checks and general medical services.
- NHS relevant prescriptions and medications or private prescriptions can be issued.
- Immunisations: Child immunisations/ Foreign travel immunisations.
- Lifestyle management / weight loss / exercise and smoking cessation advice - for patients who want to lose weight and maintain a healthier lifestyle.
- Employee medicals – Our GP's are able to carry out medical reports and review.
- Family planning clinic – Depo Provero injections and oral contraception available.
- Midwifery - The community midwives hold their own clinics at Rood End Medical Centre every Friday for our patients. They supervise antenatal care, undertake deliveries in hospital and at home where appropriate.
- Ear syringing - Rood End has facilities for ear syringing.
- Well person checks – These can be carried out with any practice nurse.
- Wound dressings – Our practice nurses are trained in all aspects of wound care.
- Cervical screening -→ Our practices nurses are qualified to carry out cervical screening and tests in the form of cervical smears.
