

Worried about your child's health? Think 'Pharmacy First'...

It's a free and confidential way to get qualified help

**Infected
insect bites**

Age 1+ years

Earache

Ages 1-17 years

Impetigo

Age 1+ years

Sinusitis

Age 12+ years

**Sore
throat**

Age 5+ years

Most community pharmacies across the Black Country can provide advice and treatment for your child for these common conditions and it can be much quicker than seeing your GP.

Visit the [NHS Black Country Integrated Care Board website](#) to see what your local community pharmacy can offer.

*Patients already exempt from prescription charges, i.e. children, will still get their treatment for free, for the above listed conditions. Otherwise, usual prescription charges will apply.
