

We're listening to your feedback

You've been giving us feedback on your care and treatment. You told us:

A large, empty white rectangular box intended for a patient to write their feedback.

We're listening and this is what we're doing:

A large, empty white rectangular box intended for the NHS to write their response to the feedback.

Having your say helps to improve care for everyone so please keep putting us to the test by giving us your feedback each time you use our services.
