

Northwood & Pinner Health Centre

Brand new health centre opening in the summer 2026

The new health centre will:

- Accommodate all the existing services currently provided within Northwood Health Centre and more.
- Provide almost 700m² more space than the current health centre, enabling increased service provision including mental health and additional primary care services.
- Improve the environment for patients and staff through enhanced, modern facilities and dedicated garden spaces.
- Breathe new life into the locally listed building and preserve the war memorial for future generations.
- Provide 51 healthcare parking spaces. 20 cycle parking spaces will also be provided for those travelling by bike.
