

Silverdale Practice Referral Guide

The GP has referred you on for a further consultation at the hospital. If you have a query about your referral please call one of the following numbers below.

GPs do not get notified when appointments are made. The Specialist Departments decide on the priority of the appointment when they triage the GP referral letter.

Please note the waiting lists for certain specialities are long at the moment, if you want to find out where you are on the waiting list or when your appointment is likely to be please call **0300 303 8360**.
