

DO YOU HAVE DIABETES OR HEART FAILURE?

Would you be interested in helping in a new research study?

This study aims to understand how the FreeStyle Libre X Continuous Glucose Monitoring System can be used to monitor ketone levels in people with Type 1, Type 2, and Gestational Diabetes, and those with Heart Failure.

To join this research study, you should:

- Be aged 2 years or over
- Have Type 1, Type 2 or Gestational Diabetes or Heart Failure
