Sheringham Medical Practice Is An Active Research Practice

18 March 2025

Dear Patients of Sheringham Medical Practice

After what will be 30 years of work at Sheringham Medical Practice, I am writing to let you know that I will be retiring on 31 July 2025.

It has always been interesting and challenging given the ever-changing NHS and ageing local population, and as a team we have strived to secure adequate funding to meet the local populations needs with the powers that be. It has been a privilege to be a part of the wider health team providing your care over the years. I am confident that the dedicated team at the practice will continue to strive to deliver excellent healthcare services and support to all our patients.

Thank you for your trust and support during my time here. I wish you all the very best for the future.

Kind regards

Dr Ian Smith
