The Baby Bank Network is a registered charity run by volunteers that redistribute pre-loved baby items to families that cannot afford to buy them, our aim is the prevention or relief of poverty in Exeter & surrounding areas. Working with families escaping domestic violence, refugees, low income etc.

We accept good quality second-hand donations at our store at arranged drop off times. Follow us on Facebook to view our current wishlist. Clothes (ironed if poss) for 0-2 years, high chairs, buggies/prams, bouncy chairs, books, small/pram toys, moses baskets, cots, bedding & sleep bags, monitors, stair gates, baby baths, towels, bottles, sterilisers, breast pumps.

New toiletries like wipes, toothbrush/paste, sanitary/breast pads, shampoo/body wash for baby/mum, cotton wool, nappies (can be part used packs), flannels/sponges.

We are always on the look out for volunteers who can help in store sorting and packing, fund-raising or ironing and sorting baby clothes from home. We are also seeking support from local businesses to sustain the work we do.

How to access Baby Bank Exeter for support

We are here to help families who are facing hardship with pre-loved practical items such as clothing, equipment and toys.

We can provide for children 0-2 years old and sometimes older siblings too.

All items we give out are clean, safety checked and of good quality.

If you need our support please speak to someone who can refer your family to us.

This can be any professional or organisation who you are in contact with for example your GP, Midwife, Health Visitor, Children's Centre, Social Worker, Food Bank, School, Nursery.

Referrals can be made quick and easily. The person referring just needs to be able to collect the items from us.

Do you work with families in need?

We invite referrals from all agencies and organisations that are in contact with vulnerable families to make sure that they are provided with items to ensure their babies' basic needs are met.

We currently collect items for newborns up to age 2 years. All items are given to recipients free of charge. Baby Bank cannot have direct contact with the families themselves, and we do not collect any information about them.
