

# **AELFGAR SURGERY**

## **PATIENT NOTICE**

### **Our Chaperone Policy**

### **Your Well-Being Comes First**

**We are committed to providing all patients with a safe, comfortable environment.**

**If you would like a chaperone (for example a nurse or a family member) present during an examination or at your appointment, please advise the person you are seeing or one of our team when booking your appointment.**

**A chaperone is someone who will stay with you during your appointment, especially if you need to be examined**

- **All patients are entitled to have a chaperone with them for any appointment**
