Anticipatory grief carers support group

Last Friday of every month 2pm – 3.30pm

Caring for a loved one with dementia or cognitive impairment can be emotionally challenging, often bringing anticipatory grief; feelings of loss and sadness before they pass away.

As your loved one's personality, abilities and independence change, this grief may grow.

Join our free Anticipatory Grief Carers Support Group, led by Insights Bereavement Nantwich, for support and a safe space to share your experiences.

Refreshments and homemade cakes available

We look forward to meeting you!
