Welcome...

to **MIDDLESHAW HILLS.**

We're here to make your care journey as smooth as possible.

We're experts in care and so we understand that choosing to move into a care home may not be easy. It's a big decision, but we can reassure you that we will support you throughout.

Our goal is a good night's sleep for our residents, knowing they are in safe hands and are starting a new chapter. And a good night's sleep for families knowing they have made the best choice they can.

We look forward to bringing you peace of mind.

**RESIDENTIAL AND DEMENTIA CARE
IN A BEAUTIFUL SETTING.**

*I settled in, the world was right,
And drifted off through peaceful night.
No tossing, turning, restless sleep,
Just calm and quiet, soft and deep.
The morning came with golden light,
A perfect, simple, restful night*

- Care so good, everyone gets a great night's sleep

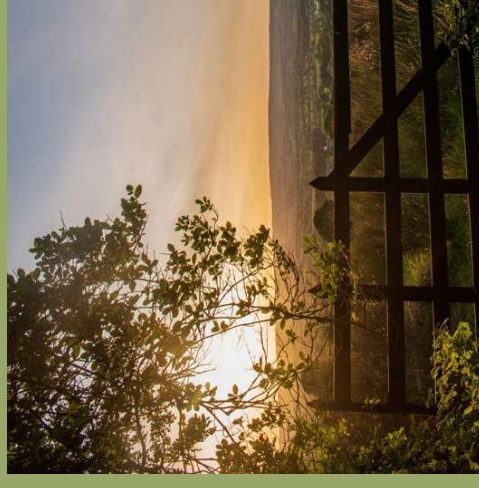

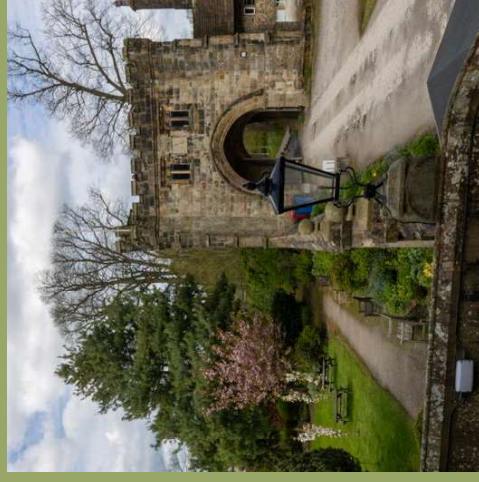

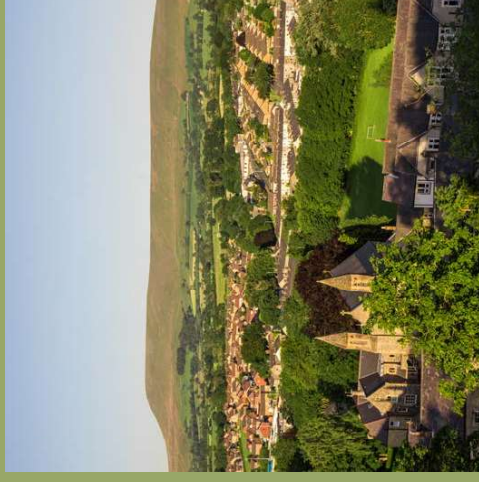

Bonny Barrow

Barrow is nestled in the heart of the Ribble Valley, offering stunning views of the surrounding countryside.

It's a small village with the perfect blend of rural beauty and village life. Community is important to us and we love connecting with local groups, and organisations, to share our time and space with them. Welcoming children from nurseries and schools is one of our favourite things, intergenerational interaction is so powerful for everyone involved, and it's truly heart warming to see lovely friendships develop between youngsters and residents.

Barrow's serene surroundings, combined with its welcoming community, make it a lovely place to visit or call home. Nearby Clitheroe is a charming, traditional market town, with gorgeous cafes and lots of independent shops that residents can enjoy visiting.

CRYSTAL CLEAR PACKAGE

Transparency is at the heart of everything we do. And that includes our pricing. Our all-inclusive package offers a single fixed price that covers everything you need.

It includes all the essentials you'd expect from a luxury care home. Plus some additional perks such as a mini fridge, smart TV, hairdressing, chiropody, special dining experiences with family, and more.

Certain terms and conditions apply, but we'll be fully transparent about those as well. For full details see our pricing leaflet.

Every aspect thoughtfully planned

We work with our building partners, interior designers and suppliers to create beautiful, welcoming spaces, that deliver the best of luxury while feeling like home.

Our bedrooms are light and airy, with ensuite wetroom, a double bed and mini fridge. Some of our bedrooms have direct garden access and we have a collection of suites with assisted bathrooms, if you would like a bit more space.

You are welcome to personalise your room with special items of furniture, art or collectibles. In fact, we encourage it, as it can help you settle in quickly and special treasures are a great talking point when meeting our team and your new neighbours.

Our lovely home has beautiful spaces for you to relax, chat to friends, or welcome visitors. We have a boutique cinema, hairdresser, café and sweet shop.

The best part of the day

Let's face it, mealtimes are the highlight of most people's day. A time to spend with friends, sharing great food, catching up on each other's news and perhaps indulging in a glass of something lovely.

It's no different at Middleshaw Hills. Our team make all our delicious meals from scratch using the freshest local ingredients, from traditional dishes to new ones you may not have tried. Freshly baked cakes and treats are always available, and whatever your preferences or dietary requirements there's bound to be something for you to enjoy.

We love seeing families and friends join us for a meal too. Sunday lunch, visitors from out of town or just a catch up, our chefs enjoy creating dishes suited to the occasion.
