## SHROPSHIRE MENTAL HEALTH SUPPORT WELL- BEING VEHICLE

We're excited to announce that the Shropshire Mental Health Support Wellbeing Vehicle will be visiting Marden on the 4<sup>th</sup> Thursday of every month with the next visit taking place on Thursday, 24<sup>th</sup> July from 10:00 am – 12:00 noon.

Mental Health Shropshire is committed to making mental health assistance accessible to everyone and The Wellbeing Vehicle will provide direct support to individuals in crisis, offer suicide prevention resources, conduct outreach and advocacy efforts and assist individuals and families of those experiencing mental health challenges.

If you would like some more information about the MHS wellbeing van, please feel free to give them a call on 01743 368647.

This vehicle will tour the county, offering direct support and guidance to those in need.

Shropshire MHS's main goal is to empower anyone facing mental health challenges. We advocate for improved services, raise awareness, and promote a better understanding of mental health issues in Shropshire, ensuring that those in need are heard and supported.

New Nurse, **Clare Hughes** started with Marden Medical Practice on 27<sup>th</sup> May but Patients may have seen Clare at Marden at the Darwin Health weekend clinics a few years ago.

Clare will be providing general nursing services as well as asthma and COPD clinics. We are thrilled to welcome Clare to the team.

## The NHS App

The NHS App gives you a simple and secure way to access a range of NHS services. Download the NHS App on your smartphone or tablet via the Google play or App store. You can also access the same services in a web browser by logging in through the NHS website.

You must be aged 13 or over to use the NHS App and you also need to be registered with a GP surgery in England or the Isle of Man. Find out more about who can use the NHS App.

### What you can do with the NHS App

You need to prove who you are to get full access to the NHS App. With full access you can: order repeat prescriptions and nominate a pharmacy where you would like to collect them: book and manage available appointments: view your GP health record to see information like your allergies and medicines (if your GP has given you access to your detailed medical record, you can also see information like test results): book and manage COVID-19 vaccinations: register your organ donation decision: choose how the NHS uses your data: view your NHS number (find out what your NHS number is): use NHS 111 online to answer questions and get instant advice or medical help near you.
