Monday to Friday 8am – 6.30pm

Dispensary opening Hours:

Monday to Friday 8am – 1pm and 3pm – 5.30pm.

If you find yourself unable to attend an appointment, please notify the surgery as soon as possible. This will enable us to use this time for other patients. Thank you.

What were staff doing in May at the Practice?

Reception answered 3113 calls
Dispensary issued 12,934 medications
We received, read, actioned & filed 2481 tests
We offered 6449 appointments
We received, read, actioned and filed 3615 letters for patients
Sadly, we had **109** appointments wasted due to DNA's

June is Men's Health Week

The Men's Health Forum is a charity that works to improve men's health services and the healthcare of men. We know it can be tough for men to ask for help but if you don't ask when you need it, things generally get worse. If you are worried or concerned about something that you feel unable to discuss with a loved one or friend, please check out [Men's Health Forum](http://www.menshealthforum.org.uk).

This site contains lots of useful help and guidance on what steps to take next if you have concerns.

World Blood Donor Day is on 14 June 2025

World Blood Donor Day seeks to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid donors for their life-saving gifts of blood. By becoming a blood donor, you can save lives and it's a really easy process to sign up. Head to [Home - NHS Blood Donation](http://www.nhs.uk/blood-donation) for more information on how to donate, what happens on the day, what happens to your donation and lots of other useful info. And don't forget, there are free drinks and snacks after you've donated!

Our next NHS App hub session will take place on Friday 6 June, 9 til 12.

We can help you set up the App, show you how to view your health record, see recent test results and order repeat prescriptions all from the comfort of your own home. Please bring your selected smart phone or tablet and a form of identification to confirm your identity for setting up the App. If you can't make that one then come along on Friday 4 July, 9 til 12.

Repeat Prescriptions

We are currently conducting a review of our dispensary phonenumber. NHS guidelines state that the ordering of repeat medicines should NOT take place over the phone.

If you need to re-order your medicines, please either:

a. Use the NHS App

Or

b. Pop the repeat ordering slip into the white post box by our front door which is accessible 24/7 (please note if used after 6pm Monday – Friday, it will not be processed until the next working day) or use the wooden box on the dispensary hatch.

Dispensing Patients: When picking up your medicines, you can ask to reorder them for the next month with one of our Dispensers.

Non-Dispensing Patients: Speak to your Dispensing Pharmacy or drop off your repeat slip with them.

For those of you paying for your prescriptions, do consider purchasing a Pre-Payment Certificate – it can save you money! [Save money with a prescription prepayment certificate \(PPC\) - NHS](#)

We recognise that some of our patients will have difficulty with this.

Please let us know when re-ordering how we can best help you. Thank you for your understanding.

You can **download our latest newsletter** by visiting our website www.pershoremedicalpractice.co.uk
