

Bereavement Event – Support for Trafford Residents

Date: Friday 10 October 2025

Time: 10:00am – 4:00pm

Venue: Sale Town Hall

-
- Trafford Council is supporting a special Bereavement Event at Sale Town Hall on Friday 10 October 2025, bringing together residents and professionals to share, learn and connect around the bereavement journey.
 - The event will feature a panel discussion including representatives from South Manchester Coroners, NHS services, registrars, funeral directors, and Trafford Bereavement Services. There will also be space for a wide range of local organisations to showcase the support they offer, from legal advice to grief counselling.
 - Bereavement affects us all at some point, yet it is still a subject many find difficult to talk about. This event is about breaking down barriers, helping people find the right support, and enabling professionals to join up services for the benefit of residents.
 - The Bereavement event falls within Trafford's Month of Hope, and coincides with World Mental Health Day, supporting the Council's EPIC values – by empowering people and creating an environment where everyone can thrive.
 - The event will take place at Sale Town Hall on Friday 10 October 2025, 10.00am to 4.00pm and is open to all Trafford residents and professionals.
