Breast Cancer Awareness Day

To support breast cancer awareness in October we had a "Wear Pink Day" and had a small cake sale raising £40.00 for Breast Cancer Research. These beautiful cakes were made by our very own Dr. Hayden.

Staff News

Hasan Patel, Pharmacist

Welcome to **Hasan**, our new Practice Pharmacist who will be working for improvement of values & outcomes from medicines and consulting patients directly regarding medication reviews and queries. Some of you might know him already as he also works for Cohens Chemist next door.

Dr. Omneya Elmakhzangy

Welcome to Dr. Omneya, our new GP who has become a great asset to our team.

Chaperone

You may request a suitably trained chaperone for any procedure, test or examination.

Friends and family are not permitted to act as chaperones.

Please note - both male and female clinical team members work within the practice, if you have a preference, please ensure you discuss this when you book your appointment.

For more information, please speak to reception.

Contact your GP practice online

Fill out a simple online form to get advice and treatment by the end of the next working day.

To use this service go to our website www.egertonanddunscarhealthcentre.nhs.uk on the home page where it says Contact your GP practice online. This is also where you would request a sick note when required.

What the NHS App does

- **order repeat prescriptions** – see your available medicines, request a new repeat prescription and choose a pharmacy for your prescriptions to be sent to.
- **book appointments** – search for, book and cancel appointments at your GP surgery, and see details of your upcoming and past appointments.
- **check your symptoms** – search trusted NHS information and advice on hundreds of conditions and treatments, and get instant advice or medical help near you.
- **register your organ donation decision** – choose to donate some or all of your organs and check your registered decision.
- **find out how the NHS uses your data** – choose if data from your health records is shared for research and planning.
- **view parts of your GP record** – including information about medication, allergies, vaccinations, previous illnesses and test results.

If you're a patient at our practice you can use the new NHS App, a simple and secure way to access a range of NHS services on your smartphone or tablet. For more information go to www.nhs.uk/nhsapp

Parking Eye for the Health Centre

There are 2 “check in” machines in reception and one in the pharmacy, you need to enter your car registration number upon entering the Health Centre or Pharmacy. We understand that some patients might find this inconvenient, but we are trying to ensure that the car park spaces are left available for patients and customers and are not abused by people who are not using these facilities. Please note that any fines that are given out do not come from the Health Centre and payments are not received by the Health Centre in any way. If you park and are not using the Health Centre or Pharmacy, a fine will automatically be issued by Parking Eye.

Memory Walk for Alzheimer's

In October some of our staff members completed The Memory Walk in Heaton Park, despite the gloomy weather, raising over £1000.00 for the Alzheimer's Society.

Well done to all involved!!
