How to Register

The doctors welcome new patients who live within our practice area. As it often takes some time for records to be forwarded from your former practice, all newly registered patients will be asked to

complete a registration form, available at reception. Please note a separate form for each family member is required. Medical treatment is available from the date of registration. Whilst we will allocate to you a named GP, you have freedom to choose which GP you see at the practice by speaking to our staff when you call/call in or alternative selecting your GP of choice when booking appointments online.

Access - The practice is Disability Discrimination Act compliant with good access for all.

Out of Hours - Out of hours calls should be made to **111** (free call) and your call will be diverted to our Out of Hours Service (currently provided by Badger) where a fully trained healthcare worker will give you advice, refer you to a Doctor and/or organise a home visit. This service will be used only overnight and at weekends. The CCG commissions this service on behalf of its patients.

EXTENDED ACCESS OPENING TIMES

Yardley Wood Health Centre operates as a Hub for the local GPs within our PCN after usual surgery hours.

This is not a walk in service. Please book through reception

From Tuesday 1st of February 2022 the hub will be AVAILABLE as follows.

MON- **6.30pm-8pm**

TUES- **6.30pm-8pm**

WED- **6.30pm-8pm**

THUR- **6.30pm-8pm**

FRI-*closed*-

SAT- **8.30am -17:00pm**

SUN -*closed*-

Home Visit - This service is provided only for patients who are too ill to attend surgery. Requests for home visits should be made before 10am, wherever possible, by ringing **0121 465 8314**. Further Information about symptoms may be asked for by our receptionist to enable the doctor to determine the priority and timing of the visit.

Appointments – The practice has made changes to our appointment and booking systems. These changes, and how to arrange a consultation are outlined on the last page of this leaflet.

If you are experiencing breathing difficulties, chest pain or have any life threatening symptoms than please call 999 immediately.

Repeat Prescriptions - Please allow **2 working days** for all repeat prescriptions. We offer an Electronic Prescription Service (EPS) which allows your prescription to be sent directly to a Pharmacy of your choice (i.e. nearer to home or work).

Violence Policy – The NHS operate a zero tolerance policy with regard to violence and abuse and the practice has the right to remove violent patients from the list with immediate effect in order to safeguarding practice staff, patients and other persons. Violence in this context includes actual or threatened physical violence or verbal abuse which leads to fear for a person's safety. In this situation we will notify the patient in writing of their removal from the list and a record in the patient's medical records the fact of the removal and the circumstances leading to it.

Services Offered at the Practice:

- Diabetes Clinic (Daily by appointment with Practice Nurse)
- Minor Surgery
- Asthma Clinic (Daily by appointment with Practice Nurse)

- District Nursing Service
- Child Immunisation (Daily by appointment)
- Well Person Clinic (Daily by appointment with HCA)
- Family Planning (Daily by appointment)

Access to Records - In accordance with the Data Protection Act 1990 and Access to Health Records Act, patients may request to see their medical records. Such requests should be made through the practice manager and may be subject to an administration charge. No information will be released without the patient's consent unless we are legally obliged to do so.

Data Protection and Research - The Protection and use of Patient Information:

The practice is registered with the Data Protection Act and is bound to the terms of that agreement. We ask you for information about yourself so that you can receive proper care and treatment. We keep this information, together with details of your care, because it may be needed if we see you again. We may use some of this information for other reasons: for example, to help us protect the health of the public generally and to see that the NHS runs efficiently, plans for the future, trains its staff, pays its bills and can account for its actions. Information may also be needed to help educate tomorrow's clinical staff and to carry out medical and other health research for the benefit of everyone. Sometimes the law requires us to pass on information: for example, to notify a birth.

Complaints - Whilst we work hard to ensure that we offer the best service at the practice, we appreciate that sometimes things happen which could lead to a complaint. Please ask at reception for a complaints pack and/or make an appointment to see our manager, or speak to her. Alternatively, should you not wish to do this then you should contact the NHS England Customer Contact Centre by telephone on 0300 311 22 33, or email england.contactus@nhs.net or write to NHS England, PO Box 16738, Redditch, B97 9PT. If you use British Sign language (BSL), you can talk to us via a video call to a BSL interpreter. Visit www.interpreternow.co.uk/nhs-ccc/. Opening hours are 8am to 6pm Monday to Friday, except Wednesdays which are from 9.30am to 6pm.

Patient Participation Group - We have a group which meets up approximately three times yearly. If you would be interested in joining this group then please contact the Practice Manager for more information.

Area Covered by the Practice - If your address has a B13, B14, B28 or B38 postcode then you live in our practice area. If you have a different postcode to that then it will be necessary for you to double check your address with our reception team, who will be able to advise you.

If you need a consultation with a doctor:

We currently use a system called AccuRx. If you go to our website, and click the link, you will be able to provide information about your condition or concerns. You will be able to request clinical advice, and also request things like sick notes. If you prefer a particular person to deal with your concern, you can state this. You can find the link here: <https://florey.accurx.com/p/Y02571>

The doctors triage these, and you will receive a reply or call by the end of the next working day (around 90% are dealt with on the day they are sent). If after triaging your request, the doctor thinks you need to be seen face to face, the GP will ask you to book an appointment.

Appointments with nurse / Health Care Assistants

If you have been asked to book an appointment with a nurse (for example for a smear, or a diabetes review) or a Health Care Assistant (for example for blood tests, or an ECG) you can contact the surgery by telephone on 01214658314.

The nurses and pharmacists now carry out some regular reviews by telephone rather than in person.

If you make an appointment but find that you are unable to attend please cancel at the earliest time possible.
