

FRIENDS OF LILYVILLE SURGERY

(PATIENT PARTICIPATION GROUP)

November/December 2024

Dear Fellow Lilyville Patients,

NEXT MEETING OF FRIENDS OF LILYVILLE

Monday 2nd December. 5.30-7.00pm. At Lilyville.

THIS IS OUR PATIENT GROUP – ALL WELCOME!!

Daisy, one of the Practice pharmacists, will be there to talk with us about [medicine reviews](#) – a topic which several of us have brought up in earlier meetings. Come along to meet Daisy, find out why the practice regularly reviews the medications we are on and ask Daisy any questions you may have about this.

We will also give a short report-back on the current exercise being undertaken by NW London health bosses (the ICB) on access to our GP practice – several of us went to the in person and online meetings last week.

And then we will take time to get to know each other better with some festive season nibbles and other refreshments – very informally! We would love to see you there!

(Helpful if you can let the practice know if you expect to be there: phone: 020 7736 4344)

Best wishes, Merril Hammer – Patient and Chair, Friends of Lilyville

Meanwhile, it's cold outside ... wrap up ... keep warm and well!
