Stay safe in the sun

The summer months are finally here!

We are expecting hot weather in the next few weeks, so make sure you are staying healthy in the heat.

If you are going out in the sun, make sure you stay hydrated and avoid the midday sun when it's hottest.

HOT WEATHER

Going out in the sun?

Stay well in hot weather
by drinking plenty of fluids, staying in the shade when the sun is strongest (11am-3pm) and limiting strenuous physical activity during the hottest part of the day.

We're here for you, for longer...

Enhanced Access appointments are available at your practice, or a nearby NHS service, outside of usual practice hours.

Give blood

Giving blood saves lives.

The NHS is in urgent need for more people to donate blood. It's vital for treating emergency and long-term conditions, such as sickle cell disease

If you are fit and able, please consider giving blood by calling **0300 123 23 23** and making an appointment.

The nearest donation spot to the practice is at Fernwood School in Wollaton.

Mental health resources

If you are struggling with your mental health, help is there for you. The NHS can support you with a variety of mental health services and resources:

- [Every Mind Matters](#) provide expert advice on small steps you can take to improve your mental wellbeing.
- [NHS Talking Therapies](#) provide a safe space for you to talk to someone about feelings of stress, anxiety, or depression you may be facing.
- [NHS111](#) provides a 24/7 service to support you in moments of mental crisis. Simply call 111 and select the mental health option.
