

Priors Field Surgery - How To Access AskMyGP

1 Go to priorsfieldsurgery.nhs.uk

Click on the **askmyGP logo** (orange and blue in colour) near the top of the page

2 This will take you to the askmyGP secure login page. Choose the option circled in red below

3 If it's your first time using askmyGP, choose sign up and set up an account. Otherwise choose to login

Do you have an askmyGP login?

This is not the same as other GP online services you may use.

Patients must be registered at Priors Field Surgery

Sign up as a new user

Login existing user

4 Choose the type of request you wish to make.

We will respond to routine requests within 3 working days and manage your request within 2 weeks.

We aim to manage urgent requests within 24 hours and in the majority of situations on the day.

Responses may be via email, text message or phone
