**SALARIED GP (4 sessions – To include a Monday 2<sup>nd</sup> day TBC)**

**Salary in the region of £80,000 - £90,000 per year, dependant on experience**

A great opportunity to join our friendly, innovative, and expanding GMS practice in the thriving market town of Wetherby, near Leeds and Harrogate. We are looking for a dedicated GP to join and enhance our team.

We have a very stable population of patients at approx. 7,500  
with low deprivation and high scores.

Our GP & ANP roles include, capped appointment numbers,  
15-minute appointments, low home visit rates, with daily access to a home visiting  
Paramedic, PCN OTs, First Contact Physio & Mental Health Service.

We are also part of a well-supported PCN  
(Wetherby PCN)

We support our team with a daily huddle and 4 weekly MDT clinical meetings and have  
low clinical staff turnover.

We have always been high QOF Achievers, participate in enhanced services, dispense  
to nearly half our population, with our Bramham Branch having an onsite Dispensary.

Excellent Remuneration package  
Commensurate with experience

The practice provides a full nursing team, admin support, PHCT and integrated liaison  
with specialist nurses, district nursing and health visiting teams.

Informal visits welcomed
