

Friends and Family Test

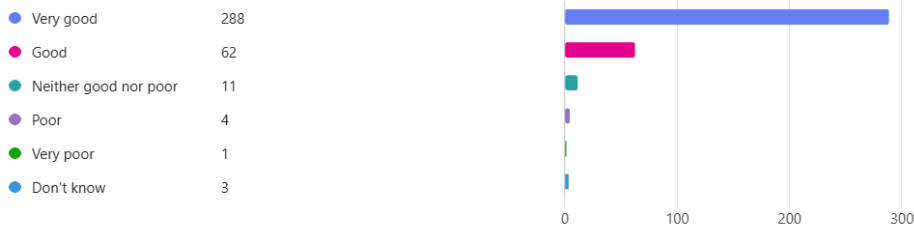

The friends and family test (FFT) is an important feedback tool. It's a quick and easy way to share your views after receiving NHS care or treatment.

Here's what you said about us in January 2025:

95% of patients asked, stated their experiences were either 'Very Good' or 'Good'.

1. Overall, how was your experience of our service?

[More details](#)

2. Why did you answer that?
