

April 2025 Newsletter

The Partners are very sad to announce that after 22 years with Practice Dr Sizer will be leaving at the end of March. Dr Sizer made the difficult decision to retire from the Practice following a period of ill health to allow her more time with her family and in her garden.

She will miss her patients and her colleagues at the practice but hopes that she will still see them passing as she remains in the area.

We are all very pleased to announce that Dr Victoria Makin and Dr Andrew Hodgson will become Partners in April having worked as Salaried Doctors at the Practice for several years.

Many of you will already know them and we are sure that you will join us in congratulating them.
