**Please do not give us original artwork,
we cannot store or return it. If you
choose to drop off your artwork/piece,
we will take a photo or scan of the piece
at the time we meet you so that you can
take the original home.**

The fine print

- if your piece is 3 dimensional, please submit a good quality photograph, not the actual piece
- the course guide is A5 – 14.8cm x 21.0 cm – so simple designs will work better
- we cannot publish profanity
- written pieces may be edited for brevity/clarity
- we don't mind if it has been submitted elsewhere
- You will receive 10 copies of the course guide where your piece appears when it is published.
