

## Refurbishment

We are excited to let you know that work is about to start on a full refurbishment of Trinity Medical Practice. The project is part of our ongoing commitment to improving our facilities and services to better serve you and your family.

### What's changing?

- Modern facilities: consultation rooms, waiting areas, and reception
- More consultation space: adding 13 extra consulting rooms, including a minor procedures suite.
- New pharmacy unit: brand new on-site pharmacy.
- Better accessibility: improving access for all patients, including those with mobility challenges

### Temporary disruption

There may be some disruption while the work is carried out. This could include:

- noise or restricted access to certain parts of the building
- some appointments may need to be moved to a different room or, in rare cases, to another location nearby.

## Menopause: Ask the Expert

As Trinity Medical Centre prepares for refurbishment, we are making new arrangements for our Menopause: Ask the Expert sessions. We'll share updates on our website and social media as soon as plans are finalised—stay tuned for more details!

Wed 15 Oct  
Wed 12 Nov

## Did you know?

Avoid waiting on the phone—reach us quickly and easily online using PATCHS! You can request appointments, sick notes, prescriptions, and other admin queries in just a few clicks. Simply visit our website, click the "Get started with PATCHS" banner at the top, and sign up today!

## Boundary Change

A big thank you to all our patients who took the time to share their feedback in our recent survey on the boundary change. We are continuing to work closely with the ICB to finalize the details and reach a decision. As soon as we have more information, we will provide an update.
