

Trent Meadows Medical Practice
Patient Participation Group (PPG)

Our patients group provides valuable support and feedback to the practice that enables us to understand current patient views and requirements.

The group organises educational talks and events which are open to all patients.

The PPG currently meet six times a year for one hour so the time commitment is not onerous.

You can join as a full committee member or an Associate. The latter only receive emails and do not attend meetings, but you are kept up to date.

The preferred method of contact is by email.

Please leave your details below and the PPG will be in touch.

NAME: _____

EMAIL: _____

(Please write your email address clearly)

Contact telephone number: _____

If for any reason you do not hear from the PPG or would prefer to contact them directly, use the email address:
