

# Help us, to help you.

**Transforming mental health care, together.**

**Opening the door to  
a better future**

**Together we are going to create & deliver a fun, fantastic Gleadless and Heeley Neighbourhood Mental Health Centre at the heart of our community.**

## **What is it?**

There's going to be a refurb of the Terry Wright Community Hall & Library, it's going to be home to a new test model of mental health care that is more local, bringing community and clinical support together, to deliver for you. Including 24/7.

The plan is not to lose any of the great things that it already houses - but to add to it.

**We cannot do it without you – What do you want to have there? What do you want it to look like? How do you want it to feel?**

## **We are looking for people who:**

- are 18+ years old
- have struggled with their mental health
- are local to the Gleadless and Heeley area

**We value you and your time - there is remuneration to people utilising their lived experience**

**We have 2 coproduction events coming up:**

**18th February  
10:30am - 1:30pm  
Heeley Institute**

**4th March  
10am - 1pm
