Bromleag Care Practice:

Practice Guide

Please give to all residents and relatives

Issued: October 2024

About Us

We aim to create a high quality service that builds on strong relations with our partners and the communities we serve.

The service we offer has been tailored specifically for care homes. Our staff are responsible for only those patients who reside in care homes in Bromley. This is why we believe the best place for our team to be in, is the community. We are able to deal with queries quicker and more efficiently.

This booklet contains information about the facilities and services at the Practice and we hope you will find it useful and keep it handy for reference

Our Practice Area

We cover all patients who reside in the following accommodation within the Bromley area:

- A Nursing Home
- Residential Home
- Extra Care Housing

How to Register

You will need to complete the following:

- Complete a GMS1
- Complete the New Patient Questionnaire

Booking or cancelling a home visit:

As a resident in your assisted accommodation the home staff will request this on your behalf if you need to be seen on the day. If you have any concerns or queries, please call the surgery during working hours.

Weekly/Fortnightly visits:

As part of our unique service we visit you at your place of residency on a weekly or fortnightly basis, these visits may be in person or remotely. If your concerns can wait until the next scheduled visit please ask care home staff to put your name on the list for the next doctors visit.

Non NHS Services:

Patients should be aware that fees may be charged for services not covered by the NHS – privates certificates, reports, insurance claims. Please contact us for further details.

Confidentiality:

All staff are bound by strict rules of confidentiality. We are a computerised practice and registered under the Data Protection Act.

Repeat prescription request:

We require 72 working hours to process your repeat prescriptions. You may a request your repeat prescriptions by either signing up to use our online service, by email or post. You can also ask your pharmacist to arrange your repeat medication.

We do not accept requests for repeat prescriptions over the telephone. You can email us with your request at broccg.bromleagprescriptions@nhs.net.

Patient Comments or complaints:

If you have a comment or complaint about the way things are run, or if you have a problem with any member of the team, please send an email to selicb.bromleagcarepractice@nhs.net

Our Services

- Regular weekly/bi-weekly visits to homes
- A medical assessment for each resident upon admission
- Follow up medical assessments at least twice a year
- Post-hospital discharge medical assessment and medicines reconciliation
- Medicines review at least once a year
- Urgent same day emergency visits
- A multi-disciplinary approach with care home staff and other health/social care services
- Medicines optimization pharmacist available to residents

Zero Tolerance

The NHS operates a zero tolerance policy with regard to violence and abuse and the practice has the right to remove violent patients from the list with immediate effect in order to safeguard practice staff, patients and other persons.

Violence in this context includes actual or threatened physical violence or verbal abuse which leads to fear for a person's safety. In this situation we will notify the patient in writing of their removal from the list.

Remote Monitoring

We use remote monitoring across our Care Homes to ensure patient safety and accessibility to care. This can be accessed via video and telephone consultation alongside the Arc Health kit.
