Important Information: in requesting non-NHS work you understand that -

- All requests require advance payment in full.
- Payment is non-refundable and non-negotiable.
- No work will be undertaken, or an appointment booked without payment in advance.
- Work and/or appointments may take up to 56 days after payment has been received. If you wish to expedite your request this comes at an additional cost and is dependent on time and detail required.
- When an appointment is booked for non-NHS work and this is not attended, a charge will be made.
- There is no obligation on the practice to provide any of the above work.
